THE late storm delayed the mails on Tuesday evening.

RATHER a dearth of news this week. READ the editorial correspondence

WE noticed on Tuesday a number of teams loaded with agricultural implements of various kinds passing through town, on the way to Kansas.

Correspondents must give their name and post office address, in order to secure the publication of their effusions. OUR County Clerk, J. A. Tulleys, and B. E. Swift, went to Lincoln, the State

Capital, this week. WE learn that Riverton has an Amateur club called Aldibirontifoscofornis.

SOMETHING needing careful attention. Your ears.

WE learn that a new paper is about to be started at Riverton, if sufficient County Furveyor, support is guaranteed to make it a

CATHOLICS, remember that on the 4th of March, at 10 o'clock a. m., there will be divine service held in Red Cloud.

Saturday last.

Taz following is the quarterly meeting appointments of the M. E. Church in this part of the district : Edgar, March 28th and 29th; Kingston, March 31st, and April 1st; Red Cloud April 4th and 5th; Riverton, April 7th and 8th; Republican City, 11th and 12th.

White just received a visit from the "beautiful snow," which is a most welcome visitor. It will not be necessary to "watch and pray" for rain, 4 s it was last spring. When the frost goes out, the ground will be in good condition for plowing, and we predict an early spring.

Webster county, and has taken the oath Jones, who will give lessons at reasonof office. This is a good appointment, able charges. FULL assertment of Plow Fixtures at | and no doubt will be satisfactory to the

excellent mines nie sent in this afternoon.

THE quarterly meeting of the M. R Church, will be held in the school house at Red Cloud on the 4th and 5th of April. Rev. A. G. White, Presiding Elder, will be in attendance. All are in-CHAS. RRILLY. Preacher in charge.

THE Donation Party, Thursday eve, was a success, considering the opportuni ties for me".... for such a gathering at this time of the year. We learn that a purse of \$38.00 was made up for the minister, besides other articles of use. Rev. Reilly expresses his thanks to the people of Red Cloud for their sympathies and liberal contributions.

WE see by the Sutton Times, that the ex-Treasurer of Clay county, has been arrested on account of a deficit of some \$436.00. Being "wanted," Sheriff Dinsmore was dispatched to the Republican valley and soon returned with his prisoner. At a meeting of the Board, Mr. Tracy turned over the autount and was released from custody. This should warn us as to the kind of men we select for offices of trust.

For Sale or Bent.

My Livery Stable in Red Cloud, for-merly owned by A. E. Perry, will be sold cheap for cash, or with part down, I will give 6 months time on balance. JOHN G. POTTER.

As reported last week, the burning of Red Willow and murdering of its citi zens, not only lacks confirmation, but is absurdly false. No indians are south of the Platte, nor have they been this winter. This vexed Indian question, is not brought any nearer a solution by these malicious lies, and we hope the readers of the papers that give such sensational articles from their over zealous correspondents, will wait out see if, when the truth is known, that the story is gotten up only for a purpose least known to

themselves.

OUR Literary Society was held on Friday of last week, and the discussion NOTARY PUBLIC, REAL ESTATE AGENT, was unusually interesting. The question of debate was upon the right of the county to vote bonds to asist in building a railroad north and south across the county. It brought out our best speakers as Wilcox, Miksch, Kaler, McNitt and others. Among the affirmative argument we heard such advantages as better and cheaper transportation, a competition of markets, also a greater home market, (not the least) and greater tax. paying property. Upon the negative the argument turned upon minorities being ruled by majorities, doubt as to the investment being a paying oue, increase of value in property, no advantage to the farmer who is not a speculator, and burdensome taxes. Mr. Kaley made some good remarks on the constitutionprotect you from the wintry winds for ality of voting, by a majority, bonds to a corporation.
